Subject: Please respond by 1pm today: Region 8 letter to FHWA CO Division/Colorado DOT on Denver project PM10 hot-spot analysis

Karl and Mike,

I wanted to let you know that Region 8 is moving forward with the final draft of the comment letter on the I-70 East Project PM10 hot-spot analysis. The Deputy RA supports this approach and had only a few minor comments on the letter. Except for a few minor typos, Laura and I have no other comments on the letter, and OGC and OAQPS support this.
